## Out of Country/Province Emergency Travel Medical Insurance

### Protect yourself wherever you go

Unexpected medical treatment is the single most expensive hidden cost you may incur while traveling – whether on business or pleasure, within Canada or around the world. There is no need to worry. If you have an unexpected illness or accidental injury while away from your home province, you can be assured that you will get the care you need.

### Insurance Includes

- Coverage per trip of up to 45 days
- Up to \$2,000,000 of coverage
- Coverage up to and including age 69
- Single and family coverage (for employees, spouses of any age and/or dependent children)
- No deductible
- No pre-existing condition clause up to age 65

### Benefits of this Insurance

- No need to search for last minute coverage
- Peace of mind
- Year round coverage
- It is paid for by your business
- Top ups available
- No medical underwriting

## Emergency Medical Insurance

### Get all the care you need

Unexpected illnesses or accidents can occur at any time. Olympia's Exceptional Expense Insurance has been designed to protect you and your family from specific health and dental expenses that would not be covered by your provincial health plan, yet could cause financial stress.

### Insurance Includes

| per covered person per year           |          |

| Accidental Dental                     | \$5,000  |
| Home Care Nursing                     | \$10,000 |
| Convalescent Home Care                | \$10,000 |
| Ambulatory/Mobility Assistive Devices | \$5,000  |

### Benefits of this Insurance

- Coverage up to and including age 69
- Peace of mind
- No deductible
- No medical underwriting
- Benefits are not restricted to your province of residence

## Catastrophic Drug Insurance

### Shield Yourself From Tragedy

Being suddenly diagnosed with a medical condition can be stressful and expensive. With the Olympia Catastrophic Drug coverage, once you reach your deductible, you are able to submit prescription drug receipts for reimbursement up to a \$25,000 per year. It's like having an emergency back-up fund when prescription drug costs get out of hand.
